

SALE OF ADULTERATED OR EXPORT BOUND MOTOR FUELS IN THE LOCAL MARKET

The Energy Regulatory Commission is mandated under Section 95 of the Energy Act 2006 to monitor petroleum products offered for sale in the local market with the aim of preventing motor fuel adulteration or dumping of export bound fuels. In this regard, the Commission undertakes a program of continuous monitoring of the quality of petroleum motor fuels being sold throughout the country.

Respective County Commissioners were requested to withdraw the licenses of operators of the defaulting outlets. Further, the defaulting operators were required upgrade the adulterated petroleum where applicable and also to pay penalties and taxes prescribed under the applicable tax laws before consideration for resumption of business.

The Commission maintains a hotline number (0708 444 000), operational during normal working hours, to enhance enforcement and compliance activities.
